BSB40515 Certificate IV in Business Administration

Overview:
This nationally recognised qualification is suited to a range of individuals who use well-developed administrative skills and a broad knowledge base in a wide variety of administrative contexts. They apply solutions to a defined range of unpredictable problems, and analyse information from a variety of sources. They may provide leadership and guidance to others with some limited responsibility for the output of others. This qualification would be perfect for those that are already in the field and wishing to formalise their skills.
