BSB41415 Certificate IV in Work Health and Safety

Overview:
This nationally accredited qualification is suitable for people working in a Work Health and Safety (WHS) role who work to provide leadership and guidance to others and have some limited responsibility for the output of others. Participants will learn how to identify and consult Work Health and Safety issues and apply solutions to a defined range of unpredictable Work Health and Safety problems. This qualification is the minimum requirement recommended by industry for those seeking employment as a WHS Manager, advisor or safety officer. This course was previously known as Certificate IV in Occupational Health and Safety (OHS).
