Childcare First Aid

HLTAID012 Provide an emergency first aid response in education and care setting

Overview:

This course gives participants the skills and knowledge required to provide a first aid response to infants, children, and adults. It is most suited to educators and support staff working within an education and care setting who are required to respond to a first aid emergency, including asthmatic and anaphylactic emergencies. This course would also benefit sporting organisations or local community groups who do work with young children. Participants will receive practical hands-on training with a qualified trainer, to enable them to provide emergency assistance to young children until further help arrives.

Pre-requisites:

Participants must have basic computer skills and access to a reliable computer with internet and email access. As an assessment requirement of the HLTAID009 unit, participants must be able to perform at least 2 minutes (5 cycles) of CPR on an adult, child and baby resuscitation manikin that is placed on the floor.

Licence & Regulatory Requirements:

It is recommended by the Australian Resuscitation Council (ARC) that HLTAID009 Provide CPR is completed every 12 months to remain current with the ARC guidelines and every 3 years for HLTAID012 Provide an emergency First Aid response in an education and care setting.

Units of Competency:

On successful completion participants will be issued with a Statement of Attainment with the following units:

HLTAID009 Provide cardiopulmonary resuscitation

HLTAID010 Provide basic emergency life support
