

22300VIC - Course in First Aid Management of Anaphylaxis

Overview:

This course is accredited training that includes information about allergies and anaphylaxis, recognising signs and symptoms, managing and treating an allergic reaction (including administration) and minimising the risk of exposure to allergens in children's service. This anaphylaxis course is now a national requirement in Childcare facilities to work as a Child Care worker.

Pre-requisites:

There are no pre-requisite units required to enrol into this course under the training package, however participants must have basic computer skills and access to a reliable computer with internet and e-mail access.

Licence & Regulatory Requirements:

It is recommended by industry councils and legislations that this course is renewed every 3 years.

Units of Competency:

On successful completion participants will be issued with a Statement of Attainment with the following unit:
22300VIC Course in First Aid Management of Anaphylaxis
