BSB41415 Certificate IV in Work Health and Safety

Overview:

This nationally accredited qualification is suitable for people working in a Work Health and Safety (WHS) role who work to provide leadership and guidance to others and have some limited responsibility for the output of others. Participants will learn how to identify and consult Work Health and Safety issues and apply solutions to a defined range of unpredictable Work Health and Safety problems. This qualification is the minimum requirement recommended by industry for those seeking employment as a WHS Manager, advisor or safety officer. This course was previously known as Certificate IV in Occupational Health and Safety (OHS). Job titles relevant to this course may include:

- Work Health and Safety Coordinator
- Work Health and Safety Officer
- Work Health and Safety Representative

Pre-requisites:

There are no pre-requisite units required to enrol into this course under the training package, however participants must have basic computer skills and access to a reliable computer with internet and e-mail access.

Licence & Regulatory Requirements:

Upon completion of this course, if you would like to apply for a Work Health and Safety Office (WHSO) certificate of authority from Workplace Health and Safety Queensland (WHSQ), you must email a certified copy of your identity (drivers' licence) and your qualification to whstraining@oir.qld.gov.au.

Units of Competency:

On successful completion participants will gain a qualification certificate with the following units:

Core Units:

- BSBWHS402 Assist with compliance with WHS laws
- BSBWHS403 Contribute to implementing and maintaining WHS consultation and participation process
- BSBWHS404 Contribute to WHS hazard identification, risk assessment and risk control
- BSBWHS405 Contribute to implementing and maintaining WHS management systems
- BSBWHS406 Assist with responding to incidents

Elective Units:

- BSBMGT403 Continuous Improvement
- BSBRES411 Analyse and present research information
- BSBWRT401 Write complex documents
- BSBWHS410 Contribute to work-related health and safety measures and initiatives.
- BSBWHS408 Assist with effective WHS management of contractors

Delivery method:

Option 1: Online / self-paced with 12 months to complete. This course could be completed with 25 – 30 hours of study per unit, depending on the individual learner and their personal circumstances and other commitments.

Option 2: Classroom (group bookings only)

Fees and charges:

Fees include all assessments

Option 1: \$699

Option 2: Group bookings only- please contact us for pricing

Recognition of prior learning: \$1,200
