CPP31318 Certificate III in Security Operations (Queensland)

Overview:

This qualification is suitable for individuals who already hold a Queensland Security Licence and wish to deepen and broaden their skills and knowledge in security operations and lead security teams in the field. It provides a pathway to further learning and work in various security roles and settings, including security risk management. Security officers at this level provide leadership in a team environment, operate under limited supervision, and use discretion and judgement in known and unpredictable work contexts. They take responsibility for their own outputs in work and learning, and limited responsibility for the output of others in the work team.

Pre-requisites:

Participants must hold a current Queensland Security Licence. Participants must have sufficient skills to read, write and communicate in English, and have access to a computer with internet access and Microsoft Word. Participants must also be physically fit, and able to perform defensive tactic techniques.

Licence & Regulatory Requirements:

Not a licensed security course.

Units of Competency:

On successful completion participants will be issued with a qualification with the following units:

Core Units:
BSBFLM312 - Contribute to team effectiveness
CPPSEC3101 - Manage conflict and security risks using negotiation

CPPSEC3122 – Plan provision of close protection services
CPPSEC3123 – Implement close protection services
CPPSEC3124 – Prepare and present evidence in court

Delivery method:

This course is run as a blend of online/self-paced learning and face-to-face training. Online training + 3 days classroom.

The online training is approximately 15-20 hours per unit (for a total of 14 units), however this greatly depends on the individual and their experience. Online/self-paced training - this involves reading a student manual and completing written, case scenario and online practical assessments (using Microsoft Word). Online training **must** be completed prior to booking in for the face-to-face training. Students have 12 months to complete this course from the date of enrolment.

Support for this online training is done via email with an assessor.

Fees and charges:

Blended training: $1,200
Fees include all assessments and resources required.
