

Fire Safety Adviser Refresher (Queensland)

Overview:

Participants who have been appointed as or wish to work as a Fire Safety Adviser are required to complete this course. As of 1 July 2009, under the Queensland Building Fire Safety Regulation 2008, all high occupancy buildings are legally required to appoint a FSA. This training provides participants with the skills and knowledge to carry out the duties of the Fire Safety Adviser, such as; develop risk management strategies and advise on the emergency planning process. Completion of this course not only satisfies the training requirements for the 'Fire Safety Adviser' role under the Queensland Building Fire Safety Regulations 2008, but meets the national qualifications in emergency prevention, workplace evacuation and the initial response training required to deal with emergencies in the workplace

Pre-requisites:

Not applicable

Licence & Regulatory Requirements:

Due to industry standards this course is required to be completed every 2 years to stay up to date with the current legislations.

Units of Competency:

On successful completion participants will gain a statement of attainment with the following units:

- PUAWER001B Identify, prevent and report potential workplace emergency situations
- PUAWER002B Ensure workplace emergency prevention procedures, systems and processes are implemented
- PUAWER003B Manage and monitor workplace emergency, procedures, equipment and other resources
