

HLTAID001 Provide Cardiopulmonary Resuscitation

Overview:

This course gives participants the basic skills and knowledge if they were required to maintain a person's life in an emergency situation until help arrives. Participants will receive hands on practical training by experience qualified trainers. We teach to the Australian Resuscitation Council Guidelines, so you can feel confident knowing your skills meet national standards. This course is suitable to all persons whether you are new to learning CPR or need to refresh your training.

Pre-requisites:

There are no pre-requisite units required to enrol into this course under the training package, however participants must be able to bend and kneel on the floor to perform CPR for at least 2 minutes.

Licence & Regulatory Requirements:

It is recommended by the Australian Resuscitation Council (ARC) that HLTAID001 is completed every 12 months to remain current with the ARC guidelines.

Units of Competency:

On successful completion participants will be issued with a Statement of Attainment with the following units:
