

Childcare First Aid

(HLTAID004 Provide an Emergency First Aid Response In Education And Care Setting)

Overview:

This course gives participants skills and knowledge required to provide a first aid response to infants, children and adults. It is most suited to educators and support staff working within an education and care setting who are required to respond to a first aid emergency, including asthmatic and anaphylactic emergencies. This course would also benefit sporting organisations or local community groups who do work with young children. Participants will receive practical hands on training with a qualified trainer, to enable them to provide emergency assistance to young children until further help arrives.

Pre-requisites:

There are no pre-requisite units required to enrol into this course under the training package, however participants must have basic computer skills and access to a reliable computer with internet and e-mail access. Participants must be able to bend and kneel on the floor to perform CPR for at least 2 minutes on a baby, child and adult.
