Health and Safety Representative Refresher

Overview:

This course is designed to renew the knowledge and skills Health and Safety Representatives have attained during their initial 5-day HSR training course.

Pre-requisites:

Participants must have successfully completed the full 5 day course, and must supply their previous certificate.

Licence & Regulatory Requirements:

This course is approved by the WHSQ.

Topics:

- An understanding of the Work Health and Safety (WHS) legislation;
- An understanding of how it applies to your role as an elected Health and Safety Representatives (HSR); and
- The additional knowledge and skills regarding their powers under the WHS legislation to issue Provisional Improvement Notices (PINs) and direct unsafe work to cease.
- The following subjects will be covered on this course:
 - Work, Health and Safety framework
 - Consultation, Representation and Participation
 - Issue Resolution, Support for HSRs and Managing Risks
 - Inspections, Notifiable Incidents and Incident Investigation
 - Provisional Improvement Notices (PINs) and directing unsafe work to cease

Upon successful completion, learners will be issued with a statement of completion.

Delivery method:

1 day classroom

Fees and charges:

Fees include all assessments and resources required in the classroom
\$295.00.
