RIIWH5205D Control traffic with a stop/slow bat

Overview:

This course is for those participants who would like to become a traffic controller in Queensland. There are 2 parts to this course, part 1 theory and part 2 practical.

Every 3 years current Traffic Controllers are required to successfully complete a renewal course to renew their licence.

The following PPE is required: Wide brimmed hat, yellow fluoro vest / long sleeve shirt, full length trousers & steel cap boots

Pre-requisites:

All Traffic Controllers are required to hold a 'Construction Safety Induction Card' (white card / blue card)

Licence & Regulatory Requirements:

All Traffic Controller licences are administered by [Department of Transport and Main Roads](http://www.transport.qld.gov.au). Please note that additional licencing fees & recertification training do apply and all participants are encouraged to visit the website for more information.

Participants must meet the following criteria:

- Minimum 18 years of age;
- Have held an open or provisional driver's license (Australian or foreign) within the last 5 years.
- Complete a Traffic Controller Accreditation Scheme Application declaring your offence history, your medical fitness and your training qualifications.

Units of Competency:

The following units of competencies will be awarded on successful completion:

RIIWH5205D Control traffic with a stop/slow bat

Delivery method:

New Entrants: Part 1: 8 hours classroom plus
Part 2: 20 hours on the job industry placement

Renewal: 4 hours classroom

Fees and charges:

Fees include all assessment & resource materials and 20 hours' practical placement

Full course: \$575.00 (without PPE) – learners are to supply their own PPE.

Renewal course: \$175.00

More information:

Please head to our website <http://www.atiaustralia.edu.au> to view our learner handbook, which outlines all terms and conditions.

If you require any further information, please do not hesitate to contact us on 1300 738 850 or via e-mail: admin@atiaustralia.edu.au
